Event Details:

Sports Club is a church-run boys club that takes place at City of Ely Community College on Tuesday evenings during term time. It forms a part of St. Mary's Youth Ministry (SMYM). It starts at 7:00pm and finishes at 8:10pm. During the evening, participants will have opportunity to play a variety of sports both inside and out (during the summer months). During the activities we seek to develop not only game skills, but also positive attitude and team play. To this end, each week a 'Match Mars Bar' is awarded to an individual who the leaders feel have exemplified the ethos of Sports Club. Half-time refreshments are freely provided for all. The last ten minutes of the evening is given over to a short talk and discussion of issues that surround the Christian faith and its possible application for young people living in today's society. During this time we do not seek to convert people; we welcome open discussion and comments. We do expect a mutual respect to be maintained for all people during this time. As such any inappropriate language or disruptive behaviour (especially that which impedes the participation of others) will be dealt with via a: warning; 2nd warning; one week suspension approach. In extreme cases where the young person's behaviour is untenable a parent may be asked to come and pick them up early. SMYM is a relational ministry and our primary desire is to see reconciliation and participation. We will always strive to that goal.
